Thanks for letting me know.
We really don't have any choice on the date - it's pretty much been given to us. Could also change at a moments notice too.

FYI - Administrator Jackson has now asked to be briefed on Dimock next Friday Dec. 16. In preparation for that meeting, Bob Sussman has asked for a briefing which will most likely take place via video/phone conf next Wed. Dec. 14. Detailed information (location, time, and who's expected to attend) on these meeting will be shared as it becomes available.

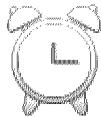

In light of next week's meetings, Shawn wanted to be briefed on the status of the review of the latest data. Another meeting to prep for next week's HQ briefings may be scheduled for the beginning of next week. Please stay tuned. Thanks for your help.
